Make Country Produce Scarce.

Part of Supering

When a brainy man, like David Belasco, I dull, or are suffering from dyspepsia or ter; the author of season after season's most successful plays, "The Heart of

benefit after hard work."

Mr. Belasco has managed more actors who have become famous and taken charge of more big theatres from San Francisco to New York than any living person. He has seen time and time again members of "the profession" who were "run down" and on the verge of nervous exhaustion gain in strength and vigor as soon as they began the use of Paine's celery compound. Theatrical people, as a body, have learned that the best way to keep their nervous systems strong and capable of doing the hard work demanded of them is to use Paine's celery compound.

It is a peerless remedy in all cases of capable of doing the hard work demanded of them is to use Paine's celery compound of them is to use Paine's celery compound the selection of them is to use Paine's celery compound the selection of the selection

A PLEA FOR THE NEGRO RACE. JOCKEYING FOR A JUDGESHIP.

Representative White of orth Caro- Rumors of Di graceful Practices lina Addresses the Louse.

ring consideration of the Agricultural bill in the House yesterday Mr. White, bitter fight over the nomination of a Suthe only colored member of Congress, was preme Court judge and the tactics openly recognized under the latinuse permitted in general debate to make a farewell plea, as he said, in concluding "for the life, the future happiness and manifold with the season of the United States." He spoke greefed with applanes and rescribed in the populations of a number of the season of the United States. He quoted from the for, including some Democrates. He quoted from the for, including some Democrates. He quoted from the speeches of Messra, Kitchin of North Carolina whose the entered to the effect of the united states are hardly in the election of the united states. He quoted from the speeches of Phrother is to succeed Mr. White in the Jahinama, Olivy of Virghia, and Wilson the Alahama, Olivy of Virghia, and Wilson the South Mr. White said: "The air here." says the "News" in a line, there of the Constitution, the plain, simple there of the Constitution, the plain, simple there of the Constitution, the plain, simple there is likely to be fire, and we believe do provided as mile discovery that they were suffer a doze of the discovery that they were suffer a doze of the discovery that they were suffer a doze of the discovery that they were suffer a doze of the wind a mile discovery that they were suffer a doze of the wind a mile that the new purchasers will reduce the wind a mile that the new purchasers will reduce the wind a mile that the new purchasers will reduce the wind a mile that the new purchasers will reduce the wind as a combination of the store of the suffer and constitution. The members must be elected by their respect to provide a reported to mechanism the destroid of the children of the wind as mile that the whore support to the responsible to the wind a mile that the wind as a combination of the store of the surface and that the each of the winds, about the wind as a combination of the store of the surface and the wind as a combination of the district officers as well as the original that the children of the wind as a combination of the district officers as well as the origination of the strict ted under the latitude permitted resorted to will be used as a powerful Alabama, Otey of Virginia, and Wilson of South Carolina upon the Reapportionment bill, in which they set forth the arguments for disfranchising the negro in the South. Mr. White said: "Here's the plain letter of the Constitution, the plain, simple sworn duty of every member of Congress, yet these gentlemen say: 'Yes; we have violated your Constitution of the nation; we regarded it as a local necessity, and if you undertake to punish us as the Constitution prescribes we will see to it that our former deeds of dislayalty to that instrument, our former acts of disfranchisement and opposition to the highest law of the land will be repeated manifold.'"

Mr. White set forth in some detail what | measures were made the special and the how to read God's word, and learn the way from earth to glory, and then taunt us upon our ignorance, but there is al-ways plenty of room at the top, and we are climbing. After enforced debauchery, We One of the Mourners a Physical slavery, it comes with ill grace from the perpetraters of these deeds to hold up the comings of some of our race to ridi- ical wreck, says his startling experience

cule and scorn."

Mr. White called attention to two Lills he had introduced, but failed to secure action upon, giving to the national Government jurisdiction of all cases of lynching, and appropriating \$1.000.000 for the relief of depositors with the Freedman's Bureau.

"This, Mr. Chairman," said Mr. White, "is perhaps the negro's temporary farewell to the American Congress, but, phoenix-like, he will rise up some day and

Mme. Modjeska Informed That She

Can Return to Poland.

NEW YORK, Jan. 30.—After practically

Staarts Dyspepsia 1ablets was going to cure completely, and they did not disappoint me. I can eat and sleep and enjoy my coffee and cigar and no one would suppose I had ever known the horrors of dystaetically

ive-land. Mme. Modjeska has received proprietors of the remedy asking for in formation as to what the tablets concerned and she is now at liberty to retrained, and they replied that the principal ingredients were aseptic pepsin (government to Poland. Her present tour will ingredients were aseptic pepsin (government test), mait diastase and other natural digestives, which digest food regardless of her real estate in this country seem to stamp the announcement as gentine.

Madame Modjeska has been exiled twice. About five years ago the ban was lifted, and Modjeska obtained permission to return to Poland. One of her first acts, however, was to deliver a speech on personal freedom which again brought her into disfavor with the powers, and she second time.

The root of the matter is this, the digestive elements contained in Stuart's Dysposia Tablets will digest the food, give the overworked stomach a chance to receive the nourishment which can only come from food; stimulants and nerve tonics never give real strength; they give a feitilous strength, invariably followed by reaction. Every drop of blood, every nerve and tissue is manufactured from our daily food, and if you can ensure its prompt action and complete digestion by the regular use of se good and wholesome a remaction and complete digestion by the reg-ular use of so good and wholesome a rem-edy as Stuart's Dyspepsia Tablets, you will have no need of nerve tonics and sani-
